Power BI Kickstarter

What is the Power BI Kickstarter?

The Power BI Kickstarter is a concise, all-inclusive project designed to optimise your reporting processes. In just 7 days, you'll have up to 3 custom-built Power BI dashboards tailored to meet your specific needs, delivering enhancements to your existing business operations.

Who is the Power BI Kickstarter for?

Businesses that:
- Rely heavily on Excel for reporting and analysis
- Spend too much time on manual data preparation
- Want automated, interactive dashboards
- Need training & support to adopt Power BI

The Kickstarter Process:

Phase 1: Discovery & Setup (Days 1-2)

- Business Needs Assessment: Identify reporting pain points & goals
- Power BI Setup: Install/configure Power BI, connect data sources & review gateway
- Data Cleanup: Prepare & structure data for reporting
- Governance & Security: Set access controls & row-level security

Phase 2: Dashboard Development (Days 3-6)

- **Build 2-3 Key Dashboards:** (e.g., Financials, Sales, Operations)
- **Data Model Optimisation:** Improve efficiency & scalability
- **Pipeline & Data Refresh:** Automate data refresh schedules & notifications
- **Mobile & Web Optimisation:** Ensure reports work seamlessly across devices
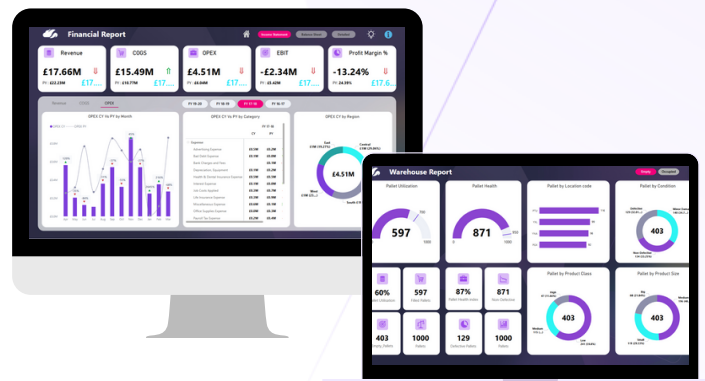

Phase 3: Review & Handover (Day 7)

- **Explanation of report and dashboard creation:** Insights into the creation process
- **Knowledge transfer of Power Query & DAX used in reports:** Share expertise on tools
- **How to share & publish reports to wider audience:** Guide on distributing reports
- **Final Review & Adjustments:** Ensure dashboards meet business needs

Power BI Business Benefits

Cost Savings: Automating data preparation and reporting processes reduces operational costs and frees up employees to focus on strategic activities.

Time Efficiency: The Power BI Kickstarter streamlines reporting and dashboard creation, allowing quick access to data and enhancing productivity.

Improved Decision-Making: Real-time, interactive dashboards provide valuable insights, leading to more strategic decisions and better business outcomes.
